La Malle • Travel Trunk

lah MAHL

Our signature trunk, for gifts that go places. Inspired by the great French travelling trunks, a handled case built for the journey. The most generous of the formats, and the one that never needs a gift bag.

- Holds the Momoyama (4pc), Traditional (4pc) and Assorted (4pc) sets.

L'Écrin • Keepsake Box

lay-KRAN

A jewel-box for the season's finest. "Écrin" is what the French call the case that holds jewellery, and that's how we treat what goes inside. A rigid presentation box with a lift-away lid.

- Holds the Teochew (6pc), Momoyama (4pc), Traditional (4pc) and Assorted (4pc) sets.

Le Coffret • Collector's Tin

luh koh-FRAY

One for the collection. A decorative metal tin in this season's house print, made to outlast the mooncakes inside. After the festival it finds a second life, for tea, for trinkets, for next year's anticipation.

- Holds the Momoyama (4pc), Traditional (4pc), Assorted (4pc) and Mini Momoyama (8pc) sets.

L'Étui Marine • Keepsake Box

lay-TWEE mah-REEN

The French keep a slim case for a single treasure, a pen, a pair of spectacles, a watch. They call it an étui. Ours carries the flaky Teochew mooncakes in a slender box that slips into a tote as easily as it sits on a desk.

- Holds the Teochew (3pc), Momoyama (2pc), Traditional (2pc) and Assorted (2pc) sets.
